- 2.01 The employer and the CLRA recognize the Union as the sole collective bargaining agent for all Millwrights, Millwright Forepersons, Millwright Sub-Forepersons, Millwright Apprentices, Millwright Welders and Millwright Riggers employed by the employer on Mainland, Nova Scotia.
- 2.02 If the employees on work over which the Unions have jurisdiction are required in classifications not listed in the appended Schedules, the Schedules shall be amended by adding such classifications at the agreed wage rates. The employer recognizes the craft jurisdiction of the Union and agrees to assign all work of the Millwright Trade to the Millwright Union Local 1178.

- 3.01A In order to be eligible for name-hire a member must be available for work and have been in good standing with the Local Union for a minimum of six (6) months. The Union may, in its sole discretion, waive the six (6) month requirement after discussion with the employer.

The employer may recall former employees for a period of up to thirty (30) working days from the date of lay-off or termination.

The thirty (30) working day limit may be waived or extended at the sole discretion of this Union after discussion with the employer.

- 3.02 Whenever the Local Union is unable to supply sufficient Millwrights to meet the needs of the employer and the employer hires Millwrights from other sources, it is agreed that these Millwrights so hired must have the qualifications required to join the Union and shall within ten (10) days after commencement of their employment make application to join the Local Union.

- 3.03 Any employee who refuses or neglects to sign the appropriate forms, or who revokes the authorization, or who resigns their membership will be deemed to have voluntarily separated and their employment terminated.

When travel and room and board provisions apply the employee being replaced will not be paid return compensation, nor will the replacing employee receive compensation for travelling to the job. The replacing employee shall receive compensation for return travel.

- 3.05 Where a reduction of the work force results in lay off of Millwrights, the Local Union shall at all times be given preference of employment.

Any arbitrator appointed pursuant to this Clause is hereby expressly conferred jurisdiction to deal with the awarding of contributions, damages and all related costs.
- 28.07 No grievance instituted by the Board of Trustees as agent to the Parties pursuant to this Article shall be defeated on the basis of any technical or procedural objection as to arbitrability, including any objection based on provisions pertaining to timeliness.
- 28.08 Notwithstanding the availability of grievance and arbitration procedures, it is further agreed between the Parties that the existence of this provision does not constitute a waiver of the rights of either of the Parties to this Collective Agreement or the Board of Trustees to proceed directly by way of Civil action in the Supreme Court of Nova Scotia with respect to the collection of any outstanding contributions, damages and costs.
- 28.09 It is agreed that provisions for an increase in the Benefit Plan will be implemented if so desired by the Local, with the employer contribution to be deducted from the wage rates contained herein, provided the employer receives sixty (60) days notice of such change.

Please note, the twelve cents (\$0.12) has been deducted from the employee's wage package, therefore if the fund should cease to exist, the twelve cents (\$0.12) would revert back to the employee wage package.

Payment shall be made to the Millwright Fund or to such collection agent as is designated by the Millwright Fund on or before the 20th day of the month following the month of the work performed. The Employer hereby agrees to be bound by the Agreement and Declaration of Trust for the Millwright Fund as it exists and as it may be amended restated, and to such rules, regulations or other governing documents adopted pursuant to such Trust.

FOREPERSON PREMIUMS

Foreperson PremiumThree dollars (\$3.00)

Millwrights will, as a general rule, not be required to take directions in reference to the work being performed, or to be performed, other than from their Millwright Foreperson or Millwright Sub-Foreperson.

The above Foreperson's premium is a minimum premium.

Supervision will be as follows:

- from three to six employees, one working foreperson
- from seven to ten employees, one non-working foreperson. One of the first three employees will be a working foreperson and when a crew exceeds six employees, there shall be a non-working foreperson.
- After 10 employees, the format repeats

MAJOR INDUSTRIAL PROJECTS

Major Industrial Projects shall be defined as the initial construction, or major expansion or renovation of facilities such as those listed below, where the initial construction or the major expansion or renovation has a total construction value (man-hour and material) in excess of fifty million dollars (\$50,000,000.00).

- | | |
|-----------------------------------|------------------------------------|
| - Pulp Mills | - Oil Refineries |
| - Paper Mills | - Gas Refineries |
| - Automobile Manufacturing Plants | - Rubber Plants (such as Michelin) |
| - Steel Mills | - Ore Reduction Plants |
| - Power Generating Projects | - Petro-Chemical Plans |

It is understood and agreed that the total construction value (labour hours and materials), (above) refers to the overall value of the project in question. Accordingly, the fact that a project is broken down into phases or tenders which may, individually, have a construction value (labour hours and materials) of less than fifty million dollars (\$50,000,000) will not serve to take the project out of the Major Industrial Projects definition if the total construction value (labour hours and materials) of the project is in excess of fifty million dollars (\$50,000,000).
