REMINDER

Article 29 – NSCLRA Industry Improvement Fund

The NSCLRA Industry Improvement Fund (IIF) remains at ten cents (\$0.10), plus HST, and is to be remitted each month on or before the 15th day of the month to:

CLRA Industry Improvement Fund

260 Brownlow Avenue, Unit #1
Dartmouth, NS B3B 1V9

Reminder: If your company remits the IIF for more than one trade, separate payments are to be issued for each trade classification that is being reported. Canada Post recommends a minimum of 3 business days for mail sent from within Nova Scotia, therefore we recommend that cheques are in the mail no later than the 12th of each month to ensure that your payment is on time.

The Elevator 125 IIF remittance form is available for download at www.nsclra.ca in the "Forms" section. The forms are available in two formats – Excel and Adobe Acrobat:

1. The Excel form is interactive and we highly recommend that all companies use this version as it will automatically calculate the amount due based on the total hours that are entered on the form. If your company happens to have its own method or software for calculating remittances, the Excel form is a great tool to double check your figures for accuracy before sending in your remittance!
2. The Adobe Acrobat form can be printed and filled out manually.

For inquiries regarding the Industry Improvement Fund, please contact CLRA by phone (902) 468-2283 or email iif@nsclra.ca.

FORMS

The industry improvement fund forms for each trade for both Mainland and Cape Breton Island are available for download in 2 software versions. Adobe Acrobat and Excel. Please ensure that you are using the correct form for your remittance.

For our Cape Breton Island members, if you have any questions regarding the CBI Consolidated Fund, please contact the Cape Breton Island Building and Construction Trades Council at 902-539-2661.
