**ENABLING:**

Where a particular article or articles of this Collective Agreement is/or are found to work a hardship for a particular project, the terms and conditions in this Agreement for that project may be modified by mutual consent, of the Union and the CLRA, when they deem it prudent. It is understood and agreed that where mutual agreement for such change cannot be achieved, the request shall not be subject to either grievance or arbitration. The Parties agree that they shall meet in joint conference no later than thirty (30) days after the ratification of this Agreement to discuss means of enabling and procedures to be followed.

**SUPERVISION:**
