When an employee fails to report for work when work is available on the working day immediately preceding or following such bad weather days or designated holidays they shall forfeit subsistence allowance or room and board in the camp, whichever is applicable, for absenteeism on any working days. Forfeiture of subsistence allowance or room and board in the camp, whichever is applicable, may be waived in either case if the reason for such absenteeism is acceptable to the employer.

11A.05 An employee requesting permission from Management to leave the site for personal reasons prior to the usual quitting time, such permission should not be unreasonably withheld and applicable subsistence or daily travel shall apply for that day.

11A.06 It is the intent of the Parties that all benefits payable under this Article should be taxed in compliance with the relevant income tax legislation. The employer shall make the appropriate income tax forms (currently TD4 Forms) available on site.
