SUBJECT: **NEW 2026-2030 Carpenter 83 Collective Agreement**

CLRA would like to announce that the new 2026-2030 Carpenter 83 Collective Agreement was signed in our office yesterday. The effective date for this Collective Agreement is May 6, 2026.

This new agreement is available on our website (<https://nslra.ca/agreements/>) for viewing and/or download. Please read the following pages for key information on changes, including changes on subsistence and monetary increases. We also direct your attention to information on the recently launched CLRA Remittance Portal for Industry Improvement Fund remittances and how to find agreements on our website.

Negotiated changes to a collective agreement are indicated with an underline and companies are encouraged to read through the agreement to be aware of all changes, including the following articles:

Article 19 – Travel and Subsistence

- The mileage allowance per kilometre is as published by the Canada Revenue Agency (CRA). Currently, this amount is seventy-three cents (\$0.73) per kilometre. Please note that CRA typically sets new rates in January of each year.
- This article includes the subsistence allowance for each year of the agreement term.

Article 33 – CLRA Industry Improvement Fund

- Remittances for this fund are to be paid by Electronic Funds Transfer (EFT) on or before the 15th day of the following month with hours reported at the time of payment via the CLRA Remittance Portal (iif.nsclra.ca).
- The CLRA Remittance Portal is to be used by all companies to report their monthly hours for the Industry Improvement Fund (only). This change means that previous IIF remittance forms or reports from a company's internal accounting system are no longer accepted as backup documentation for the Industry Improvement Fund as the hours will now be reported in the portal.
- If your company does not yet have a login for the portal, please request one via this link: [Requesting setup for CLRA Remittance Portal – Fill out form](#)
- If your company is unable to remit payment by EFT, please contact the CLRA at iif@nsclra.ca.

Craft Schedules

- Premiums for Working Foreperson and General Foreperson.
- For monetary increases and updated amounts for Health & Welfare, Pension and Training, please refer to the wage tables within the agreement.
- For May 1, 2029, the increase is subject to the Cost of Living Memorandum of Agreement attached to the end of the collective agreement.

If you have any questions regarding the Carpenter 83 Collective Agreement, please do not hesitate to contact our office via phone or email.

Thank you,
Bob
