CLRA would like to announce that the new 2026-2030 Painter, Drywall Taper, Resilient Flooring & Glazier 1439 Collective Agreement was signed in our office yesterday. The effective date for this Collective Agreement is May 22, 2026.

This new agreement is available on our website (<https://nslra.ca/agreements/>) for viewing and/or download. Please read the following pages for key information on changes, including changes on subsistence and monetary increases. We also direct your attention to information on the recently launched CLRA Remittance Portal for Industry Improvement Fund remittances and how to find agreements on our website.

Negotiated changes to a collective agreement are indicated with an underline and companies are encouraged to read through the agreement to be aware of all changes, including the following articles:

Article 18 – Travel and Subsistence

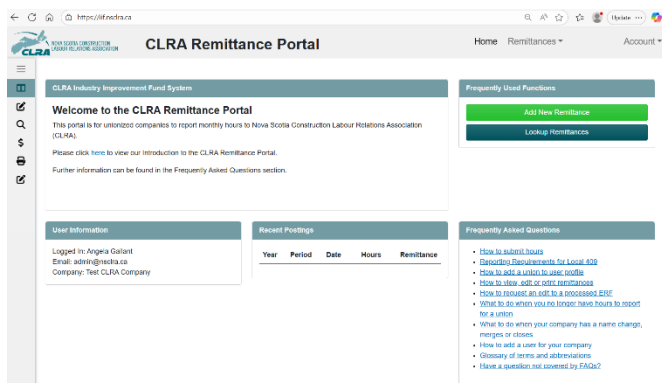

- The mileage allowance per kilometre is as published by the Canada Revenue Agency (CRA). Currently, this amount is seventy-three cents (\$0.73) per kilometre. Please note that CRA typically sets new rates in January of each year.
- This article includes the subsistence allowance for each year of the agreement term.

Article 29 – CLRA Industry Improvement Fund

- Remittances for this fund are to be paid by Electronic Funds Transfer (EFT) on or before the 15th day of the following month with hours reported at the time of payment via the CLRA Remittance Portal (iif.nslra.ca).

- The CLRA Remittance Portal is to be used by all companies to report their monthly hours for this fund. This change means that previous IIF remittance forms or reports from a company's internal accounting system are no longer accepted as backup documentation for this fund as the hours will now be reported in the portal.
- If your company does not yet have a login for the portal, please request one via this link: [Requesting setup for CLRA Remittance Portal – Fill out form](#)
- If your company is unable to remit payment by EFT, please contact the CLRA at iif@nscrlra.ca.
